7. Student advisor

▪ Ph.D. Student

1. A mixed method study about posttraumatic growth among cardiovascular resuscitation survivors and illuminate the meaning of their experiences of posttraumatic growth, (Syed Hamid Seyed Bagheri, Nursing Ph.D., 2018)
2. Development and validation of Supportive care needs scale in patients with cancer. (Zohreh Khoshnood, Nursing Ph.D. 2018)

▪ MSc student

1. To assess relationship between medication adherence and belief about medication in hypertensive patients referred to the health resource centers in Zahedan 2015 (Mohammad Edris Arbabshastan, MSc student of Nursing Education)
2. The study of relationship between treatment adherence and disease perception among patients with hypertension referred to physician offices in Iranshahr in 2015 (Mahdiye Khamari Sadegh, MSc student of Nursing Education)
3. The effect of education and Telephone follow-up on treatment adherence in Hypertensive patients referred to Fasa Valiasr Hospital, in 2015 (Najimeh Beygi MSc student of Critical Care Nursing)
4. The Effect of Emotional Disclosure by Writing on Depression in Patients Undergoing Hemodialysis in Kerman City in 2015, (Fereshteh Khaleghi, MSc student of Psychiatric Nursing)
5. Survey of dimension of self-management and its relation with Self-efficacy and Knowledge in patients referring to hemodialysis centers in Yazd in 2016 (Abbas Hafezieh, MSc student of Critical Care Nursing)
6. The effect of teaching group reality therapy on public health among freshmen nursing and midwifery students in Kerman University of Medical Sciences, 2016 (Asma Pourzangiabadi, MSc student of Psychiatric nursing)

7. The relationship between clinical competency with happiness in nurses of teaching hospital of Kerman university of medical science in 2016, (Naser Madadi, MSc student of Critical Care Nursing)
8. The Relationship between Breast Self- Examination Efficacy and Practice among Nursing personnel in Kerman University of Medical Sciences in 2016, (Tayebeh Eghbali, MSc student of Nursing Nducation)
9. Effect of Lullabies With Mother's Voice On Physiological Responses Followed by endotracheal suction in premature infants in Kerman Afzali pour hospital in 2016, (Fatemeh Hoseini, MSc student of Neonatal Intensive Care Nursing)
10. Effect the Application of Continuous Care Model on self-management and adherence to treatment in patients with Myocardial infarction (MI) referred to Ali ebne Abi Taleb Hospital in Rafsanjan city in 2016, (Mohammad Ali Zakeri, MSc student of Public Health Nursing)
11. Effect of massage therapy and music on nausea and vomiting caused by chemotherapy in children with cancer admitted to Oncology ward of Shafa Hospital in Ahwaz 2016, (Sakineh Akbari, MSc student of NICU Nursing)
12. Study of Knowledge and Practice of Critical Care Nurses of Kerman University of Medical Sciences Toward The Prevention of Ventilator Associated Pneumonia and Their Perceptions toward Barriers of Prevention In 2017, (Tayebeh Akafzadeh, MSc student of Critical Care Nursing)
13. The effect of therapeutic educational program on behaviors and attitude toward therapeutic adherence and laboratory parameters of hemodialysis patients of Emamm Reza (A) Hospital of Sirjan in 2017, (Mohaddeseh Setayesh, MSc student of Nursing Education)
14. Comparative study of the effect of maternal arms and massage on physiological responses and bleeding in neonates referring to Bandar Abbas Health Center in 2017, (Atefeh Roshan Ray, MSc student of Neonatal Intensive Care Nursing)
15. Assess the beliefs and attitudes of nurses about visiting in ICUs in Kerman, Iran in 2017. (Mohamad Ali Ziaadini, MSc student of Critical Care Nursing)
16. The effect of emotional intelligence skills training on the stress of mothers with premature infants admitted to the neonatal intensive care unit of hospitals affiliated to Shiraz University of Medical Sciences in 2017. (Malihe Arianfar, MSc student of Neonatal Intensive Care Nursing)

17. The effects of emotion regulation-based training on stress, anxiety, depression and resiliency among caregivers of patients with schizophrenia referred to Shahid Beheshti Psychiatric Hospital in Kerman, in 2017. (Maryam Behroeiyan, MSc student of psychiatric Nursing)
18. Investigating the effect of Kangaroo mother care on maternal fatigue of premature infant hospitalized in Neonatal Intensive Care Unit (NICU) in Kerman Afzali pour hospital in 2017. (Maryam Khajouei, MSc student of Neonatal Intensive Care Nursing)
19. The relationship between stress and quality of life of parents of children with phenylketonuria admitted to Afzalipour hospital with treatment adherence in 2018. (Fatemeh Irannejad paryzi, MSc student of Medical-Surgical Nursing)
20. The effect of cognitive behavior therapy on attitude of in fertile couples toward adoption in infertility center of Afzalipoor Hospital in Kerman, 2018, (Shirin Amin zadeh, MSc student of Counseling in Midwifery)
21. Survey of critical care nurses' perceptions and practices regarding delirium assessment and its barriers in hospitals supervised by Kerman University of Medical Sciences in 2018. (Fereshte Biyabanaki, MSc student of Critical Care Nursing)
22. To compare the educational needs of family member of patients discharged from the intensive care units of Kerman University of Medical Sciences from the viewpoint of nurses and family members in 2018. (Asma Hajalizadeh, MSc student of Critical Care Nursing)
23. Comparison of the effects of face to face education and video training on the knowledge and anxiety of patients requesting bone marrow transplantation in Afzalipour Kerman Hospital in 2018. (Sedigheh Sadat Mousavi, MSc student of psychiatric Nursing)
24. An assessment of parental coping patterns in the care of the child with cancer who referred to medical settings in Kerman city and its relationship with their self-construal and sense of coherence, in 2018. (Fereshteh Ghorbani, MSc student of Neonatal Intensive Care Nursing)
25. Study of effect of foot massage by nurse and patient's family on delirium, pain, and some physiological parameters of patients in intensive care units of shahid Bahonar Hospital of Kerman city in 2018. (Masoumeh Momeni, MSc student of Critical Care Nursing)

26. Study of missed nursing care and relating factors in nurses of University of Kerman Medical Sciences hospitals in 2018. (Rahimeh Khajooe, MSc student of Medical-Surgical Nursing)
27. Investigating the Effect of Positive Psychotherapy Training on Understanding the Meaning of Life of Cancer Patients Visiting Centers affiliated with Kerman University of Medical Sciences in 2018. (Batool Saeedi, MSc student of psychiatric Nursing)
28. Study of the relationship between mental health and eating disorders among high school Kerman's female students in 2018-2019. (Abolfazl Dokhani, MSc student of Public Health Nursing)
